

Zola Doyle Roundy

Zola Doyle Roundy, age 92, died December 14, 1993, in Provo, Utah.

He was born June 2, 1901, in Escalante, Utah, son of Lorenzo Wesley and Sarah Moosmann Roundy, Jr. He married Marie Seegmiller July 30, 1940, in the Logan LDS Temple. She preceded him in death July 22, 1988.

He received his BA and Master's from Utah State University in Logan and PhD at the University of Wisconsin. He was

employed for Armour and Company in their Research and Development Department and later worked for Miles Laboratories in Madison, Wisconsin. He patented the process of making Swiss cheese with hydrogen peroxide. He received the Marshall Award for his work with the U.S.-Italian cheese industry. He also developed and in his later years distributed the Wisconsin Mastitis Test.

He has lived in Orem the past 21 years. He was an active member of the LDS Church and served a three-year mission to the Swiss-German Mission.

Doyle is survived by three daughters: Mrs. Robert H. (Carol Jean) Olsen, Lethbridge, Canada; Mrs. Douglas B. (Elaine) Chadwick, Lompoc, California; Mrs. Don Lowell (Ellen) Fisher, Ann Arbor, Michigan; 16 grandchildren and three great-grandchildren.

Funeral services will be held Monday, December 20, 1993, at 11 a.m. in the Orem Sunset Heights Seventh Ward Chapel, 1260 S. 400 West. Friends may call at Berg Mortuary Orem, 500 N. State Street, Sunday evening from 6 to 8 p.m. and Monday one hour prior to services at the church. Interment will be in Orem City Cemetery.
